Salt Spray Sheds, Inc. is pleased you have selected to purchase one of our trademarked, custom door designs. We offer the following 2-Year limited warranty for our custom-built shed doors. Salt Spray Sheds Inc. Warrants its product to be free of material or manufacturing defects for 2-years from the date of purchase. We grant these terms of the warranty to the original purchaser of the door and the original building where we installed the door. At this time, this limited lifetime warranty is not transferable. Custom doors and other custom features must be painted or treated on all sides for the warranty to be valid.

The doors installed on your building are raw, unfinished, or semi-primed. They may be built from radiata pine, mahogany, fir, or Azek composite material. Priming, painting or sealing all the edges of the door, including the top and bottom edges, are required to prevent possible water encroachment. Please review the following, which are exclusions of this warranty:

1. Painting: Unprimed or unpainted doors, including all 6 edges of the door with dark colors. Doors that have only been coated with a primer or sealant are not covered under warranty. Primer is designed to receive paint, not protect the wood from the elements.
 - a. If the door requires adjustment, the warranty requires that those adjustments may require re-priming or painting. Not doing so results in a voided warranty.
2. Use: Improper use or abuse to the door, including but not limited to, wind gusts, slamming, not properly shutting.
3. Exposure: Exposure to acid, fumes or any other corrosive chemical or extreme conditions such as animal enclosures, Extreme moisture collection areas such as near swimming pools, steam rooms, etc., and where a door is exposed to pooling groundwater, Where the bottom of the door is in continuous contact with the ground, decking or other surfaces during opening and closing.
4. Maintenance: Failure to adhere to suggested maintenance procedures, & improper use, including repainting and priming after door adjustments.
 - a. Repairs by outside vendors: If you choose to have an outside source, e.g., carpenter, handyman attempt to repair the Doors. Doing so will, regrettably, void any warranty.
5. Weather: Some natural disasters or unforeseen. Catastrophes such as fire, flood, water, wind, earthquakes, tornados are not covered under this warranty.
6. Structural Changes: Any unauthorized changes, of any kind, to the original structure of the door.
7. Contractors: Any work on the door by a contractor other than Salt Spray Sheds, Inc.

This warranty is not valid in states that do not allow the limitation of implied warranties or the exclusion of, or limitation of consequential damages. No other implied or expressed warranties are recognized which is allowed to the extent of the law.

Salt Spray Sheds, Inc. is only responsible if a material defect should occur within the two years. Salt spray sheds covers, the original purchase price of the door or, any cost associated with repairing the door only by Salt Spray Sheds, Inc. Salt Spray Sheds, Inc. Will is not responsible for any cost connected with a replacement door, labor, finishing of the door that is out of warranty or voided by warranty.

Any claims against this product should include the following information when filing a claim: • Nature of the defect; proof of sale; name and address of installer and owner; door description.
